“ *El ease was one of a kind. She was my cousin and in better days we shared summers together along with her family and my family. We were close then and remained close all through our lives. She will be greatly missed by many.*

Cretia, I want u to know that momma loved y'all more than u will ever know. I am so glad we were able to bring her for a couple of visits. She smiled for many days after those visits. And talked about it with so much happiness that she was able to spend some time with all of y'all. I know me and Keith enjoyed it as well. Thank y'all so much for being and showing what family is suppose to be about. Me and Keith will do our best to make a trip soon. Love all of y'all so very much and once again thank y'all so very much
