“ A very loving smiling Christian lady who I will always cherish in my heart. Remembering her prayers for me when I was scared and feeling weak about a doctor visit. She was a special lady who I really loved and look forward to seeing in church often. Rest in the Arms of Jesus my sweet friend.

*Betty was one of the strongest women God ever put on this earth. She was strong in her love and devotion to her family, strong in her faith in her Savior, Jesus Christ, and strong in her caring and kindness to those friends around her. We remember her opening up her home to anyone who would come, for prayer services. She truly was a gift from God to her husband, her children and her Harrisburg neighborhood. We are praying for your family as your hearts grieve for this very special lady. May the God of all comfort wrap you in his loving arms in the coming weeks. 🙏*
