“ Brooke Renee was a woman I deeply respected and she made a deep impact on my life. I am truly bereaved at her loss. God will unravel the complex years as her illness grew around her for many as the years unfold and eventually bring His glory to bear on all who were touched by her gifts and struggle.

“ Renee, I read of your passing with deep sadness and shock. We had many wonderful conversations as I walked my dog past your house, and you were always so kind. My thoughts and prayers are with your family for comfort and strength. Rest in peace, Renee.

“ For three years Brooke Renee and I had a very special friendship. We talked weekly and sometimes daily. We met only in person a few times but our daily conversations were full of sharing life together. Talking about children, God and the challenges we were both facing. I miss my friend terribly. I hear her voice and wish to God for one more call. Last time I talked I told her to save me a space on the dance floor when I get there.

She touched so many lives and was such a beautiful soul. She will be greatly missed. Until we meet again Brooke Renee. Love and miss you. Fly Free ❤️ 🦋
