Carole Lynn Starr

Augusta, GA - Carole Lynn Starr, 77, beloved mother, grandma, great grandma and partner, has gone to join the choir in Heaven after a brave fight with stage four lung cancer, September 1, 2024. A memorial service will be held at the chapel of Chance and Hydrick Funeral Directors on Friday, September 27, 2024 at 1 PM. The family will receive friends following the service at the funeral home.

Lynn — who was born in the sun and beach of Los Angeles, California — has lived with her family in Georgia for the last 35 years. She was born the daughter of Jim Breen and Faye Breen Robertson in December of 1946. Her first career was in banking, but she later discovered her calling in education. After retiring as a special education teacher in CA, she then embarked on other ventures in Georgia with NCO Financial and the Fraternal Order of Police, as she proudly supported herself and her family. She loved spending time with her neighbors, friends, and family, as she always brought a cheery conversation, a warm hug, and a listening ear to those she loved.

Lynn's hobbies included a love of the outdoors, reading, solving word puzzles, and playing online with dear friends from around the world on her mobile phone. She absolutely loved to sing, and in our hearts we hear her sweetly crooning. She especially loved all of her furry four-leg friends such as

Shadow, Chief, Little Man, and Pinky Toes. She was caring and had a wonderful sense of humor. Her laugh could make anyone smile.

She is survived by her beloved partner Michael Stewart, her two daughters Kristi Macias and Robyn LeBlanc (Robert); her half sister Julie Smith; her six grandchildren Brandon Macias, Veronica LeBlanc (Malachi), Alexis Perlman (Hunter), Lucas LeBlanc (Kami), Samantha LeBlanc, and Robert Wehn III; and her great grandchildren, David and William Perlman. She will be dearly missed.
