

Catherine Lee Thibault

September 28, 1951 - August 6, 2025

Appling, GA – Catherine Callaway Lee Thibault, 73, entered into rest on Wednesday, August 6, 2025, at Lake Crossing Health Center.

Graveside services will be held at Hillcrest Memorial Park on Friday, August 8, 2025, at 11:00 o'clock with Pastor Wade Trimmer officiating.

Ms. Thibault, daughter of the late Owen Clinton Lee, II, and the late Lillian Emilie Cockrell Lee, was born in Augusta, GA. She was a lifelong resident of Augusta, GA, a homemaker and member of Grace Fellowship of Augusta.

Ms. Thibault is survived by her daughter, Marianna Thibault Pittman of Augusta-Richmond, GA; her brother, Owen Clinton Lee, III, of Panama City Beach, FL and her aunt, Marian Cockrell Brunson of Harrisburg, PA.

Cathie had a most challenging life; however, her faith never wavered. She pressed through the challenges of rearing a child with special needs - homeschooling her, and leading her to Christ. Cathie endured excruciating pain and an annoying, chronic cough that brought isolation and rejection from others. Yet, through it all, she stood on the promises of God's Word, the finished work of Christ, and the power of the Holy Spirit to be an overcomer. Her legacy remains in Marianna, who is now a loving, responsible, servant-hearted believer, and who is equipped to carry on the work of the Kingdom for God's glory.

The family would like to thank Tracy Murray, R.N., with Georgia Hospice Care, Milissa Bowen and Jhemeiyah Clark, Sitters with Family Care, Inc., and the Staff of Lake Crossing Health Center, for their loving care and compassion to

Ms. Thibault.

“*Cathie and I were friends during our years at the Academy of Richmond County. She was such a sweet and dear person; and the world was a better place with her in it. We had not seen one another for many years, but managed to stay in touch over the years. She was a great friend and I will miss her. May God bless and comfort her family during this most difficult time. I will never forget Cathie !*

Cathie and I go back a long tome because our mothers were friends before we were born. In elementary school our shared love was for the Beatles. (We were definitely some of the swooners!!) but in high-school our shared passion was for Jesus Christ who had graciously invaded each of our lives. Cathie's was my first truly Christ- centered friendship. Our fellowship was sweet- together praying, memorizing Scripture, witnessing, worshipping at First Pres, attending College Life at the old Iverson Home, attending conferences, and then both separating to attend different Christian Colleges. These were some of my dearest early Christian memories. Cathie was a gift from God. Our only hope in life and in death is that we belong both body and soul to our faithful Savior Jesus Christ!! Cathie- sweet sister- you are rejoicing to see Him, he has finished the good work he started in you decades ago, and I look forward to seeing you again when Christ calls me home too! Praising God for his marvelous grace in both our lives,

PS

Cathie & I were close friends from Elementary School at Forrest Hills, through Junior High School at Langford & High School at Richmond Academy. We lived on the same street, Henry Street in Augusta. We used to walk home from school together in elementary school & junior high school. In high school we car pooled together. We parted ways after high school when we went to different colleges. The last time I saw Cathie was at our 10 year high school reunion. We lost touch after that, but I always considered her to be one of my closest childhood friends. I have many fond memories from those early years & Cathie was right there with me.

Rest in peace, my dear friend.
