“ Catina,

I will forever cherish the moments we had from the time we met in the waiting room when both Oli and my Grayson were in there together. We had the best conversations and when I was going through the hardest time in my life, you were there with the most encouraging words and made me feel like the most amazing person on earth!

I was so sad to hear about your passing. I know Oli was there to meet you at the gates of heaven.

Go be with Jesus sweet lady! You will forever be a legacy in my heart!
