“ I was saddened to receive the call informing me of Myrl’s passing. I worked with Myrl at Gracewood for many years. She became so much more to me than a coworker. She was a dear friend, confidant, and someone who was always there for everyone. She literally made my daughter a Martha Washington dress for elementary school. I am thankful that I had the honor to have been able to call her my friend. My heart goes out to all of her children, grandchildren and extended family.
