November 11, 1996 - October 27, 2023

Danielle Michelle Williamson passed away on October 27th 2023 in Augusta, GA.

A celebration of life will be held on Monday October 30th at Chance and Hydrick Funeral Directors on Richmond Hill Rd in Augusta, GA, with Reverend John Donaldson officiating. The family will receive visitors at 6:00pm, followed by services in the chapel at 7:00pm.

Danielle was the daughter of Michelle Lynn Hargus Williamson and Julian Lawson Norris. She was born November 11th 1996.

Danielle was full of life. It was her mission to spread joy to every person she met and live a life of adventure. To know her was to love her. She had an incredible love for animals, always rescuing cats or dogs that she would find loving homes for. Once you embraced her big personality, you would soon get to know her gentle, caring, loving, loyal, passionate spirit we all loved so very much. She had a heart of gold. Danielle would do anything for those she loved and did not think twice to help a stranger in need. She battled many trials and tribulations in life. Nonetheless, she wore a smile ready to face the next one and advising those who might be walking a path that she had walked. Although her time here on earth has come to an end, her spirit lives on in everyone's life she touched. The family finds comfort in knowing that she is

rejoicing in heaven with the Lord.

Danielle is survived by her parents Michelle Lynn Hargus Williamson, Julian Lawson Norris (Jackie) Grandmother Gertrude Jeannie Richards, Grandfather Robert Daniel Richards, Siblings; Jessica Perkins, James Perkins (Katrina), and Michael Williamson (Ally), Uncle, Gary Hargus (Tammy), her fiancé Anthony McPherson and abundance of nieces and nephews whom she loved and cherished dearly.

She is preceded in death by her Great, Great Grandmother Gertrude McFarland, Great Grandmother Vera Mae Chapman, Great uncle Edward Cooney III Cousin Gary "Little Gary" Hargus, and her step father William Timothy Tilton.

The family would like to thank every doctor, nurse, and patient care tech that cared for Danielle. We are truly grateful for the kindness and care that was displayed throughout her battle with cancer.
