

Deborah Louise Shinault

October 11, 1952 - June 19, 2025

Deborah Louise Shinault, 72, entered into rest at the residence of her son on Thursday, June 19, 2025.

Plans for a celebration of Ms. Shinault's life are being planned and will be announced at a later date.

Born on October 11, 1952, in Augusta, Deborah was a vibrant, joyful spirit whose presence lit up every room she entered. She wore many hats in life—accountant, mother, grandmother, sister, and friend—and she wore each with fierce love, independence, and unmatched energy.

Deborah lived her life like an adventure, finding delight in the everyday and turning even ordinary moments into something extraordinary. She adored holidays, always going above and beyond to make them unforgettable for her loved ones. Her passion for life was contagious—whether she was watching a NASCAR race, playing games at the lake, recommending her latest favorite Netflix show, or filling her home with music.

She had a deep, quiet faith in Jesus, a love of Canadian whiskey, and a soft spot for Snoopy and sunflowers. Deborah believed in the power of a good pair of shoes and the importance of living life to its fullest. A tireless DIYer and organizer, she always had a project underway and rarely sat still. She loved gardening and especially took pride in growing tomatoes with her brother Dean. Her favorite meal was a good old-fashioned cheeseburger, best enjoyed with the people she loved around her.

She was preceded in death by her parents, Jack and Gladys Andrews, her

brothers Mike and Jackie Andrews, and her sister Rhonda Andrews. Deborah is survived by her two sons, Robert Shinault (Faith Dawn) and Richard Shinault (Kristen); her grandchildren Kaitlyn Leone (Greg), Joshua Shinault, Tyler Shinault, and Owen Shinault; and her great-granddaughter, Amelia Leone, who brought her immense joy.

She is also survived by her siblings Dean Andrews, Vickie Lariscey (Bobby), and Dianna Davis (Charles); her aunt Patricia Kicklighter (Jerrell); as well as many beloved nieces, nephews, extended family, and dear friends.

“ One of the best sister-in-laws any person could ask for. She had a hug that could embrace the world, she had a heart that could love the world, and she had a smile that could light up the world. I've shed many tears since I heard of her passing, but I know she is with my Lulu now and they're sharing a drink and looking down at us and probably laughing at us stupid men. You will be missed the girl.

“ Deborah and I were friends for years. I lived on Rhodes drive. I remember us riding bikes all day around the neighborhood blocks.
