“ I don't think I've ever met anyone that worked as hard as Donald did for his family. He was always so full of life & always had a smile on his face. That smile of his is what I will always remember. He truly was a good guy with good intentions & always willing to help anyone he could. They dont make em like that anymore.. Everybody feels the impact of this loss. All of U are in my prayers. See u on the other side, Donald ❤️❤️❤️❤️

“ Donald would stop by to see me when he could on his way to or from Savannah beach. He would pull up in the driveway and get out with that big beautiful smile, and hug! Your Savannah family sends their prayers and sympathy. We pray for peace and understanding for Sandra and the children, and all of the family and friends who I know will miss you dearly.
Your cousin, Angel

“ *My dearest cousin,
We grew up together as children, teenagers and adults. We experienced a lot in our life time of the good and bad. Most of all we always had each other and our family! You we're always the light of the party... your overwhelming smile and beautiful soul was always present. I miss you so much but I know I'll see again one day. You will never suffer or be in pain again I can only imagine the party you guys are having in Heaven with our father Jesus Christ and our family and friends. I'll love you forever until we meet again. Love,
Renee & Tommy* ❤️🙏❤️

“ I remember Donald from our younger years in Portal. Donald would come and visit from Augusta we had so much fun just being kids. I can remember laying on the hood of the car looking and watching the star's above and making wishes on falling star's. Those were the good ole day's and Donald was so much fun to be around. Over the years we lost contact with each other but the memories that I have will forever be with me. RIP my friend. Praying for the family

“ Where to start..... 24 years ago my young 15 year old self hopped in that raggedy roofing truck, couple beer cans rattling around from the day before. And the smell and looks of the other guys on the crew..wheew Boss it scared the shit out of me and had me thinking I was on the wrong crew but from the first day to the last I copied your every move and even a couple of your jokes. You taught me a trade, everything you knew about roofing and after screwing up a couple times, getting fired and hired back at 6am the next morning . You pushed me to be Great Sir, at my age as you'd have said the best Badass Roofer it was. From family events to anything really you included me as your own! You skills and expertise will forever live on through me! Rest easy Duck, I'll carry the torch from here!
