“ I am so sorry to hear of his passing. Mr Don and his son assisted me when my hot water tank went out. He had plans that day but said I'll come out of retirement to help you. He was a stranger he just met me and he said he knew I needed help. Such a great man!

“ *We knew Mr. Webb from him working with our son at HQ several years ago. We also knew him from working at Home Depot, where he was always very helpful in finding something in the plumbing department. He was a very nice and friendly man. May God just give all of you peace at this time.*
