Donna was unfortunately predeceased by her youngest son Richard Adam Cox.

She has 2 other strong independent children son James Alan Cox with wife Brandy and daughter Brittany Cox. Three beautiful grandchildren that she adored. Cameron Cox, Trenton Dunn, and Kirsten Cox. These three were truly her pride and joy. She was an amazing grandmother who did anything in her power to make them happy. She also left behind her amazing brothers and

“ Donna and I were childhood friends. I remember all the fun times we had going skating at red wing every weekend and all the sleep overs we had. We did reconnect about 2 years ago on the phone and reminisced about our childhood memories and how much our lives have changed through the years. It saddens me to hear she has passed. May God comfort all her family during this difficult time.

“ Donna,
Where do I begin Donna, we all have pain
and sorrow in our lives. I was blessed to have
you in my Life. You were always such an
energized bunny.. Tami and I always look
forward to seeing you come to Texas for your visits. All the kids
loved to see you as you would play games with them and make
them behave,. every time you come to Texas, there was always a
lot going on with all the birthday parties and trips. It was always too
much for me. Wish I could have done more while you were here. I
was so blessed to have you not only as my friend, but I always
thought of you as my second daughter-in-law that's how close you
Tami and Wes was. Fly high and rest in peace Donna you will
always be so missed by me. love your nanny goat.
