“ *Miss my Sis bad today. She was always there for me! When I lost my wife of 31 years she called me everyday for 2 months! It was heartbreaking to watch what Parkinson's slowly did to her body, especially the last two years 😞 But it never beat her spirit! Thank you David for taking care of her the way you did! Love you miss you Sis. Put a good word in for me up there. I know you will.*
