“ *My thoughts and prayers go out to the family of Iona Kirkendohl. She was one of my dearest friends. We kept in touch with each other every week until she fell and broke her hip, after that I kept in touch with Leona to see when I could go see her. When she moved in with Leona and Gary I went to sit with her as much as I could, I would take food and we would eat and talk about how we grew up and we had some good laughs and special times. I will certainly miss her. She always called me her sister.*
