“ My heartfelt condolences go out to Christopher, Keith & the rest of the Cawthon Family. Thank you for your TLC and nurture to him.

I have so many fond memories of Uncle Steve, and I'm grateful he & Aunt Neva were in my life. For every event/milestone to Christmas mornings, Abilene church, my 1st Bible, family vacations and much more...their presence, love, support & friendship were a constant. They both contributed deep values to my life.

Uncle Steve had the best smile & twinkle in his eyes, a warm & gentle soul, and an unconditional love that only family can give.

I will miss him greatly and am comforted knowing that he & Aunt Neva are reunited.

“ The thought of not seeing Steve's smiling face, his laughter, and big bear hugs is painful and sad. But Temporary! For those of us who know the Lord Jesus as our Savior, as Steve does, we know that we will be together again forever. I had the honor of playing baseball with Steve throughout youth leagues, high school and South Georgia College. There were many fine players but none better than him. He was a great leader and you knew he would run through a brick wall for you. It's no wonder he was in the brick business as a career. Steve is a wonderful friend and I'm blessed to know him.

“ I am sitting here with so many great memories flashing by, I don't know where to start. I have known Steve and all the Cawthon family since 1963. Steve was a year older than me. We finally hooked up on same baseball team at Butler High in 66 and 67 and in college in 69. Steve was MVP at Butler both years and also MVP on our college team in 69. What a great treat just to be on the field with him behind the plate. His defensive skills as a catcher were like no other and he could swing a bat for average better than most. With Steve catching and me at 1st, we had a trick pickoff play we used that worked many times in high school and college. We often would remind each other of it over the years and chuckle about it. When my two children were born, Uncle Steve and Aunt Neva were a big part of their childhood days and throughout their lives. The kids grew up loving the both of them and always recalling old time memories. I could go on all day with all the memories we had, being camping trips, hunting trips, river trips, fishing, mountain camping trips, going to Ga games road and home.
I would like to thank Christopher and Keith for the love, attention and care given to Steve over the past few months. I could tell they were doing all they could for him.
Give Aunt Neva a hug for me.

“ Steve was one of the absolute nicest humans on the planet! Growing up on the same street, he was like a favorite older brother to many of us. To me, he seemed to find the positive in any situation and the good in all kinds of people. He will be properly missed here in Texas. Lee Ayres

*Jack, Oh God! How can I miss you? You are my Heart, You are in my Soul, You, Jack can't leave, it's a promise we made to each other. I am gone with the part of me that left here Sunday with you, you know I'm there, I can still feel you, Brother. We were Roommates at School, teammates in Baseball, we gave each other support, we shared our lives as one. You are missed in life, and I will be there to see you in the hereafter, as in life. To all the family, Thank You for allowing, Jack to become my Brother, and to join you in His celebration this Thursday. He will live on in me, and I will Promise to be there if any of you need me, not as a replacement, but as a pinch hitter, like I was at SGC. Jack.. the Road is long, Buddy, but Ron, Keith, and Christopher, ain't Heavy they are my Brothers, from another Mother , just like you. I Loved you here on earth, I will Pray for you in Heaven

“ *As a product of South Augusta and Dunham Court, I grew up with Ronnie, Steve and Keith. They are literally lifelong friends whom I've known since I was about three and Keith was two. Mr. Jack and Miss Gladys raised three of the finest boys who became outstanding Christian men with remarkable character. I love those boys and will forever cherish their friendship. Steve was the best catcher ever and I will miss him...but I will never forget him.*

“ Loosing you Jack is a reminder that our group of SGC friends are true friends even as the years have rolled by. Jack was a good "receiver" behind the plate and it was a joy pitching to him...always happy and eager to talk baseball. Sheila and I are so very glad that we were added to the SGC baseball reunion roster 10+ years ago. Getting together with you and Keith each year was a hoot. Sheila will miss riding around the golf course with you to make sure the players followed the rules! We hope this outpouring of love from such amazing friends reaches you, and you are smiling down knowing how special you were and how treasured you remain in so many hearts. You gave the best hugs and were just as wonderful as they come. You will be missed.

Our deepest sympathies to the Cawthon family and all who are sharing in this grief. We are truly sorry for your loss. Steve & Sheila Wilson

“ Steve was a freshman on the 1968 South Georgia Junior College team. He was a tough, gritty catcher. Always had the dirtiest uniform after a game. Ronnie was a good ballplayer too. I had a freshman when Ronnie played at South Georgia. May God Bless the family that remains. Steve is up in Heaven driving Hawkeye crazy. He was a friend to many and he will be missed. Tommy Cason.

“ Steve was a great Student, Athlete and Friend to many in the mid and latter 1960's at Butler High School and played college baseball as well. Steve's Christian "Faith" became "Sight" when he entered Heaven and in the Presence of Jesus.
May God's grace, through Jesus Christ, bless and comfort the Cawthon Family during their Loss and beyond.
My sincerest condolences.
