“ My heart is aching so much! I grew up Nextdoor to Mitch & Amanda. Mandy and I were best friends and I always thought of Mitch as my brother! I will never forget all the sleepovers, all the summers we spent together, going to church with them on Sundays.. It's so hard to believe you are gone! I remember all the doctors appointments, time spent at Shriners, so many memories! I also remember one weekend when Amanda wasn't home, I wanted to still stay the night so Mitch and I played video games and watched tv. I know we've grown apart but you have always had a special place in my heart! You will be missed dearly! The only thing that is remotely comforting is that I know you are up there with your mama and aunt Sherry! I love you little brother! 😞 😞

“ Me and Mitch went to school together from Grovetown middle to Harlem High to Grovetown High. He was always a light to be around we ended up living in the same neighborhood and he would always have a smile on his face. Mitch was definitely loved by so many people. His voice was like angels loved hearing him sing. There will never be a day that I don't wish he was still on this earth. We love you Mitch. I ask that God will wrap his arms around your family and talk of your friends as we go through this rough time. You will never be forgotten.
