“ We have known Mr. Staulcup since 2002. He has always been a good friend & caring person! We were at a conference in Orlando, FL and before Mr. Staulcup would eat his lunch, he made sure that the bus drivers had food & drink also. He had a heart the size of Texas! He loved his family and happy to share their success stories & pictures! I felt like I knew his daughters and we had never met. Jim was a blessing to everyone he met. Gregory & I truly thankful to have been dear friends with him. Mr. Staulcup you will truly be missed 💜. Blessings Harriet & Gregory Howard San Antonio, TX

I've had the privilege and honor to have known Jimmy for 52 years when I married into the family. When Marijo and I come to town we always stayed with Jimmy and Martha, he never met a stranger. He will be missed by all that knew him.

He never failed to remember us and our family on our birthdays and anniversary's. If weather was bad he would call and check on everyone.

Was glad that we got to go see them in February.

Till we meet again Jimmy, you will always be remembered and loved.
