“ *I am so deeply sorry for your loss. He was a truly sweet, loving, and kind-hearted soul, and knowing him was a gift. I will always cherish the memories of our regular dinners together when I lived in Augusta, Georgia—those moments were filled with warmth, laughter, and genuine connection. He had a way of making everyone feel cared for, and his presence will be missed more than words can say. Please know that my heart is with your family during this difficult time, and that he will always be remembered with love. Irene*
