“ Stanley is one of the greatest men I have ever had the privilege of knowing. He is a true man of God, and a most loyal friend. We have had so many memories together. Stanley and Nellie were by my side during the worst time of my life, when I lost my son, Abram. Stanley loved and supported me every step of the way. He never gave up on me. That's the kind of man Stanley is. I will forever honor and speak his name... until we meet again my friend.....

“ I don't where to begin. I have some very special memories growing up down the road from the Lewis family! My twin sister and could always be found playing Allison and Alex tagging along. Mr. and Mrs. Lewis was just like another mother and father to us. He was always there to help my grandfather whenever the cows got out the fence. I remember many dinners and gatherings with him! I knew he loved the Lord with all his heart. I was so excited to find him on Facebook and reconnect after so many years. Mr. Lewis and the Lewis family will always have a special place in my heart and they will always be my family! Rest easy Mr. Lewis

“ Tommy and I loved Bro. Stanley (and Sis. Nellie!)! I remember a loooooong time ago when we had just moved to Augusta that he cooked homemade lasagna and they invited us over to their mobile home for dinner. It was some of the best lasagna I've ever tasted, and our friendship and fellowship with them grew over the years we were there and beyond! So sorry to hear of his passing, praying for his beautiful family in the days ahead.

I am so sorry for your loss. I am just seeing this. Brother Lewis was a good man. He supported Sister Lewis in her many kind acts towards me. They let me stay at their home when I was not the best person. I wish he could have seen what there love has done in my life. God is good and I thank him for Brother Lewis and his wife. I love you and I know God will take care of his Family.
