“ I'd like to correct the obituary the ex-wife which was printed in the obituary wasn't his last ex-wife his last ex-wife was in fact Rhonda Burrell she sadly passed from brain cancer and he loved that woman so much. Phyllis Burrell only caused Lansing a life of long headache heartache and pain. His military career ended at 9 years due to Phyllis Burrell cheating while he was stationed out of the country. Also he had three daughters not four Mandy was his step daughter when he was married to Phyllis. The second daughter named Lauren Burrell also has her fiancée Joshua the obituary was written wrong and two of the family members didn't agree with it but Leslie and the ex wife that ended up being unfaithful to him, and hurting him had full control in the false information I just wanted to be sure the truth was at least visible to the public
