“ Michelle...When We Was Attending The Burial Of Yopur Grandmotherr; Mrs Annie Mae on Sept 11 At Belleville Memorial; And You Sent your Son over to Me and He said" Uncle David, Mama Want to See You" (IF I WOULD OF KNOWN) And I Walk Over to The Car Where You Was At...And You Said "Uncle David You Look So Much Like Daddy"..(IF I WOULD OF KNOWN)" You Said Would You Take A Selfie With Me? I Said Yes..We Took Two Together and Two By Yourself (IF I WOULD OF KNOWN) And We Talk for a Little Bit; And I Told You That Everything is Gonna Be Alright (IF I WOULD OF KNOWN) I would have made the moments last a little longer And you're just a memory in my mind I would have given anything to say goodbye If I would have known....Rest In Peace My Beautiful Neice; Please Tell Your Father; That He Is In My Heart ALL The Time; Everyday; Tell Him That There Is Little Red Bird That Visits My Bird Feeder Everyday; And I Know It's Him; ALL of You, Your Father, Your Grandmother, And You; Are ALL Sitting Around God's Throne Right Now....And We Will See Each Other One Day; When God Says It Over For Me. I was not fortunate enough to have meet Latoya but heard about her through mother. It is said that "the apple doesn't fall to far from the tree"...if this is the case here, then I know what type of young lady she was. Condolences to the family and friends.

FAMILY; When Your Auntie and I decided to construct this, we didn't realize that this would be such a trip down "memory lane"... I remember our first meeting filled with questions like: "You like my Aunt Tena?" and "Why You and Uncle Abraham dress alike?" We remember You, Your Sister and Cousins singing at our wedding. Tena recalls that you was her first-born Niece and the pleasure she garnered from those babysittermoments. We're remembering You telling your Dad; "I cleaned up my side of the room" and we're remembering your sister's response. We recall You'd coming to our house to eat Barbecue at Crane Church Rd. after school every day; before we got a stove. We're remembering you "bogarting" the Atari daily and I remember one or both of you locking me out of the limo, TWICE. I recollect you telling your Dad that I ate the last of the pork chops. ALL the last pork chops. We remember going to New Jersey to your wedding and much later visiting your house on the side of the hill for the first time. Like your Uncle David; I walked over to talk to you at Belleville and was assured by YOU that "everything is going to be okay Uncle Jerry". Most of all.. We remember that extra wide smile. What a bounty of treasures you've left for US to savor. In closing; One sweet day, We'll eat Porkchops together again. Until then; rest easy.
