“ Gosh I’m in shock, I knew something was wrong when you called me, you sounded different, I will always remember the fun times We had, dancing by the railroad tracks as we watched the train go by. The bad times never mattered much. We always talked about the good ones,I’m praying for you on this next step of your journey and grateful We had that last memory together . God bless you and keep you until We meet again, save me a seat at the table .
