“ *Mrs. Kaufman was like a second mother to me, I have loved her dearly over the last 45 years. Visiting her the last couple of months brought back so many memories and why people should realize that life is so short. Be with the ones you love. She was a very special lady and when we were right she let us know we were right and when we were wrong she let us know we were wrong and when we were bad she let us know we were bad! She never held anything back and she was always kind and honest. Rest in peace. May you forever be without pain.*
