Augusta, GA – Robbie Lee Carithers, 50, entered into rest on Thursday, January 23, 2025, at Piedmont Health of Augusta.

Hi, my name is Robbie Lee Carithers, I was born on November 23, 1974. I grew up as the only child to the most amazing mother, Julian, and a proud father, Ronie Lee Carithers. When I was little, I would take my hot wheels apart and try to put them back together, I also had my trucks to play with. One day I played hide-in-seek with one of my cousins and since I was a wild child I locked him under a trailer. At age sixteen years old I started working for the city of Washington in Georgia, I enjoyed every bit of working with them for sixteen years.

I was loved by my aunt Linda, Aunt Betty, Aunt Susan, Jessica Lynn Dunn, Kimberly Eberly, Michaelle Vowell, my cousin, Jennifer. I went to Steven Creek Church South Campus where I met an amazing brother, Ron, he was always there for me and I was there for him. My heart goes out to my church family, Kellie, Gina, Don, Marlin, Alison, Will, Jessica McNeil, and Jeffery. I also love my son Robbie Lee Carithers, Jr., he was my world.
