“ Robert was a good friend, I've known him since middle school spanning almost 4 decades. I remember driving over to blackville, sc in my jeep hanging out even spending the night playing wrestling games on Nintendo. I will miss his text and checking in with me, he always made sure I made it back to Hilton head on Sunday's. He would come over and hang out with me, go to lunch and have our “solve world problem” discussions. I will miss my brother and I will see you again. My prayers go out to the family.
