“ I'm so saddened by Ronnie's passing and send my deepest condolences to all of the family. I have fond memories of him, and my favorite was one family Christmas we were gathered together exchanging gifts. Ronnie had bought all of us a box of chocolate covered cherries. And he had to let us know he got them on sale. He was so proud and smiled so big as he shared this with us. Ronnie was quiet much of the time, but when he got to talking, he talked for a while. Good talks. He had such a genuine smile that I always liked to see. Continued prayers for the days, months and years ahead.

With love,  
Melissa Hinds
