“ There are no words big enough to capture what you meant to me, Mom. Your love was an anchor, your strength my guide, and your laughter the soundtrack of my childhood. Losing you this Tuesday feels like the world has gone a little dimmer.

*You were more than just a mother—you were my teacher, my heart, and a beautiful example of grace. The love and compassion you had for Jesus was unmeasurable, and it shined through in everything you did. Your faith inspired everyone around you, and I know you're now in His loving arms.*

*Thank you for your endless love, your sacrifices, and the warmth you gave so freely. Rest peacefully, knowing you were deeply loved and will be forever missed.*

*Love always,

“ Roxie will always hold a special place in my heart! She has been a dear friend to my cousin for a long long time. She spent a lot of time at Mimi's house playing soft ball and monopoly with all of us kids. She loved coming to get her hair done and getting pampered for many year's and just spending time together. She had such a unique laugh that will never be forgotten! She will be greatly missed!

“ Ms.Roxie you were a sweet and caring person. You always made me feel like a part of the family since me and lance were little kids. From the birthday parties all the way to graduation. You were loved so much that your body couldn't hold anyore love here so you got a new body in heaven. Praying for the entire family and hope they know that they have a new guardian angel watching over them.
