“ What a jewel Sabrina was. A friend to al of us. I loved that I was given a chance to work with her. I ll never forget we had a little chunky female statue in a swim suit we got a Chunkey bar and sat our little statue on it. We all laughed. It stayed there for a few days before it got noticed. She had a way with our guests. We both loved the music and tried to plan a trip but never got to. Heather and Genice and Family I'm so so sorry for your lost of this bright jewel. She will be missed by so many of us. Prayers and thoughts are with everyone that she came in contact with.Fly high my friend the mountains are yours
