“ When my family moved to Paradise in the fall of 73, Sally had me spend the night the 1st Friday after a dance from school. That was the 1st of many nights spent at the Smith household. So many memories were made. Hanging out at the IGA, skating in the parking lot, Charlie the dog and the Pretty Bird that would call his name! Eating moose burgers and not telling me they were, even tho the carcass was hanging right out the window. Prank phone calls, sneaking beer through the bedroom window (sorry Sharon), boy break ups, borrowing clothes and albums. I moved again before our senior year, 1978. We remained close. I moved back after graduating at least 2x after that. I was there for her brother Greg's death, also when she married Dave. Our kids are the same age. She sent me many post cards of their adventures with Dave. What a tragedy when he died. Life got in the way for a few years, we reconnected and kept in touch over the phone and f.b. We had a wonderful friendship for 49 years. She is the peas to my carrots. I am missing her.💔💔 My pal Sal... Love and Hugs to all of Sally's family.💕💕 Karla

“ The minute I meant South we hit it off and we will come best friends. She asked me to move in and felt take care of her or would you gladly did. I'm so great there because I love her we had so much fun. I'll just say that's selling we get to see it's about our help stop smoking and get healthy so that we could do things more together outside. She had the best Outlook she was precious she did things for other people without regard for her so and she loved me as much as I love her she will forever be missed I love you Sally Williams hope you find your peace. To the family you had a great sister mother grandmother and friend I'm sorry she's gone I tried my best to make sure she stood around it just wasn't in the cards I love you all.
