“ Sammy was a good friend of mine. We played music together, went to the same school.. Although we didn't talk much during our adult lives, we sure shared a lot in our youth.. Great friend, great guy!! It was good to hear he had found Christ and living a Christian life.. My most humbled apologies for not being able to make it to the grave side service, but Sam remains in my memories!! He will always be a part of my conversations about my life growing up!! Randy, Jack and Sammy!! If you know, you know!! Rest in peace my brother!!!

Sammy was always willing to lend a hand to anyone in need especially his family and friends. He helped bail me out of a couple of tight spots. We enjoyed some good times playing music, fishing, and talking go carts. Sammy was always upbeat every time we hung out no matter the situation. He was a great friend, father, grandfather, uncle, and great uncle. He will be missed. We send our deepest condolences to his family.
