Stephen Mathis McClellan

Augusta, GA – Stephen Mathis McClellan, 55, husband of Connie Crews McClellan, entered into rest Tuesday, February 27, 2024, at Piedmont Hospital of Augusta.

Steve, son of the late Marshall McClellan and Catherine Hall McClellan, was a lifelong resident of Augusta, Georgia. He was a graduate of George P. Butler High School. He attended Augusta College and Augusta Technical College. After college, he worked for Boral Bricks for over 20 years. During his time with Boral Bricks, he held several positions within the company, his last being a production scheduler. Steve grew up attending Calvary Baptist Church. Sports have always been a huge part of Steve's life. He spent many of his younger days playing football, basketball, and softball with his close friends. Steve was competitive to a fault, not just in the sports he played, but also in those that he watched. He loved golf, especially the tradition unlike any other, The Masters Golf Tournament. He was a die hard Georgia Bulldog fan, and college football Saturdays were his favorite.

The greatest love of Steve's life was his wife, Connie. Steve met Connie at a Super Bowl party 32 years ago. From that moment on, they were inseparable. They were married for 27 years. Steve loved spending time with Connie and

his friends at his favorite restaurants enjoying a good meal. He also loved making time for and gathering with the children who were like his own: Mallory Sexton (fondly known as “Scooter Poo”), Carter Petitt, Ryan Thurmond, Tanner Thurmond, Megan Vandembulcke, Mitchell Petitt, Parker Petitt, Garry Fulcher III, and Dale Fulcher.

In addition to his father, Steve was preceded in death by his brother, David McClellan.

Steve is survived by his wife, mother, several aunts and uncles, many cousins, and a special group of friends he texted with each day.

Memorial services will be held Wednesday, March 6, 2024, at 4:00 PM at the Chapel of Chance and Hydrick Funeral Directors with Pastor Scotty Bedgood officiating. At the request of his family, Georgia Bulldog or Masters casual attire is requested.

Memorial contributions may be made to Day One Fitness, which held a very special place in Steve's heart:

“ One of my memories with Steve was, South Carolina was playing UGA in Columbia, afternoon game. Don't remember the year just the experience!!! A ticket became available somehow and I let him know I would go with him. We got there about 9 that morning with the game kicking off at 4. So.....a lot of time to pass, which we did, adult like 🤔. Great time, great food, great accommodations. Steve knew someone there with a huge fifth wheel. As time passed the stories flowed in anticipation for another Dawg win. About 3 o'clock we started heading towards the field which wasn't very far away (that was outstanding 🤔) as we neared the gate amongst the huge crowd of people Steve suddenly said I can't find the tickets. So.....we started looking all on the ground for them again amongst a huge crowd of people somehow expecting to find them magically lying there 😭😭😭 My emotion went from 150% excitement to -200% of are you serious right now? After a couple of minutes looking for the so called lost tickets, Steve reaches in his back pocket and says, oh here they are 🤔🤔🤔🤔 I didn't know whether to kick him or hug him, so.....I went over to him and hugged him as he had that got you grin on his face. I will miss you my friend as many will!!!!!! GO DAWGS!!!!!!

“ *Steve was truly one of a kind and I remember one of my earliest interactions with him (there were so many) was the summer of 86 or 87, he had broken his arm and would come to the house with Scotty. My dad met him and later on asked about Skippy, I said, Daddy who is Skippy? he said you know, Scotty's friend the barefoot broke arm one. I said, Daddy his name is Steve, he said he looks like a Skippy to me, so happy. They are both in Heaven and I hope Skippy runs into my daddy. Steve will be missed by so many. Connie and Mrs. McClellan, family and friends, you are in our thoughts and prayers as we grieve together.*
