November 26, 1947 - July 13, 2024

Augusta, Ga. - Mrs. Sylvia Bohler Parker, 76, beloved wife of 58 years to Donald (Donny) Parker, entered into rest Saturday, July 13, 2024, peacefully in her home.

Funeral services will be held Wednesday, July 17, 2024, at 1:00 PM at Oasis Church at Hephzibah with visitation starting at 12:00 noon. with Pastor Wesley Weatherford and Pastor Chris Lotz officiating.

Visitation will be from 6:00 PM - 8:00 PM Tuesday, July 16, 2024, at Chance Hydrick Funeral Directors.

Interment to follow in Hillcrest Memorial Park.

She was preceded in death by her father, Calvin Bohler her mother Ina Mae Johnson Pearson her stepfather James "Bud" Pearson and her brother Jimmy Pearson.

She was survived by her husband, one son Randy Parker, one daughter Melinda Parker Aranda (Jimmy) of Charleston, SC and four grandchildren, Alyssa Parker, Pearson Parker, Amelia Aranda and Parker Aranda.

Sylvia graduated from Butler High School in 1965 and Augusta Tech in 1968.

After years as secretary/administrative assistant in the medical field and a CSR for First Union Bank she left to run the local Tupperware distributorship and then her own jewelry business but was always known as “The Tupperware Lady”.

She was a member of Oasis Church at Hephzibah for the last 29 years after 19 years at Sherwood Baptist Church.

Sylvia was tirelessly devoted to her husband, children, grandchildren, numerous family members and countless friends. She served the Lord in many ways and in her later years on the hospitality committee. She enjoyed her two women’s groups immensely, rejoicing in the spirit of that Lord. She loved her beach trips, supporting her grandchildren in their various activities and was a true feisty “Firecracker” that was an inspiration and witness of a Godly woman to generations of women. After many years and multiple battles with cancer, she was called home as her work here was done. Her recent words were “I did not lose my battle with cancer; I won my battle to Heaven.”

The family would like to thank MSA Hospice for comfort care these last few months.

In lieu of flowers, donations can be made to Oasis Church at Hephzibah.

“ Donnie and family, you may not remember me but that's okay!!! I worked with Sylvia at Georgia Railroad Bank and was with her when she got that first call from her doctor. Her Faith was the strongest I have ever seen and I know she cheered when she went through those pearly gates-----keep all the good memories close and the others far away-----God Bless all of you.

“ Donnie and family, I am feeling your loss along with you. My memories of all the good times we shared as family are a comfort to me as I hope yours are to you. I'm sorry I couldn't make it to the service but at my age, I don't trust making long trips by myself anymore and 6 hours driving in the same day are almost more than I can handle. You all have been in my thoughts and prayers today and I will continue to uplift you daily. I love you all and am going to miss Sylvia, but will see her again when my time comes to go home. Just imagine what a time she's having with all the loved ones and Jesus. God bless you all. Aunt Sandra

“ What stood out to me was in school she was kind and sweet to EVERYONE! She and Donnie made the perfect pair . I saw her just a few years back at Wanda Watkins funeral and she knew me right off ,just so sweet. Prayers to Donnie and her family , I'm sure she took a piece of their hearts with her but I know she left a lot in their hearts. I'm sorry that I cannot make the funeral due to my husbands health but you are all in my prayers. She's in the presence of her Savior!

“ I’ve had the honor to know Sylvia Parker for the past 20 years, I can’t count how many splash downs we got the privilege to serve together but I can tell you there were so many laughs that we shared together especially when working canteen. To know Sylvia was to know fun and joy. She loved the Lord and wanted to honor him all of her days. I will never forget her love for Prince, the way she insisted that her red hair was totally natural 😂, the stories she shared with me about her and Donnie in the early days , the jokes she cracked or the love she had for those grand babies . She always made me feel loved and accepted and I will never forget that. I watched her suffer through her health struggles for longer than anyone should have to struggle and she always did so gracefully and knowing that she is pain free at the feet of Jesus brings me great joy. I have and will continue to miss her immensely. I love you sweet friend❤️
