“ *Jeanane you were a beautiful lady inside and out. I loved when you come in for your hair appts. And we would just laugh and it was always a pleasure and honor to call you my friend. 25 years together and it was always wonderful to hear your voice on the phone and talk for hours. I pray for you and your family. I know that God gained another Angel. You certainly were an Angel to me and I will miss you very much. We will meet again . I love you and will always hold your memory close to my heart forever.fly high my sweet friend.*

“ *Jeanne my sweet sister in life. You are still our sweet sister. We always loved you with our entire heart & soul. We are so very sad to have you not here with us everyday as we talked almost every day. A very gracious, caring, loving, beautiful person you always were. Never ever mean always loving in your own special way. I was always so very happy to have you as part of my family. Miss love you more every day and will never stop. I hope you are at peace now without any pain physically or emotional. Rest now my beautiful sister.*
