

Wyman Langham

July 23, 1927 - September 8, 2024

Mr. Wyman Langham, 97, went to be with his heavenly father Sept 8th, 2024. He was preceded in death by his wife of nearly 50 years, Peggy Brinson Langham of Burke County, GA, a son, Douglas Brinson Pender, his parents Henry Grady Langham and Elizabeth Peebles Langham of Thomson, GA, and all 6 of his brothers and sisters.

He was drafted into the Army Air Corps (later U.S. Air Force) and served faithfully for 20 years as a jet mechanic. Upon his retirement in 1966, he worked another 22 years on Fort Gordon as a supply clerk, redistributing surplus goods. He spent his remaining years with his family on his wife's old homeplace in Burke County helping his farmer friends, tending to his beautiful vegetable gardens and maintaining the old Brinson Mill Pond and dam. He was a devout Seventh Day Adventist.

He is survived by his son, Wade Hampton Pender III, and twin daughters, Sharlan Langham Waters (Rick) and Carlan Langham Mimmie (Megan). He is also survived by 7 grandchildren – Wade Pender IV, Wesley Pender, Jessica Talbot, Alexandra Rosas, Ricky Rosas, Amy Tornow, and Evan Tornow, and also 7 great grandchildren.

There will be a private family gathering graveside Tues Sept 17 at 10am. To honor his wishes, there will be no formal service. We sincerely appreciate all of the love and friendship extended to him over the years by you all, and especially to the staff at Sodalis Martinez, Piedmont Hospital of Augusta, and Trinity Home Health & Hospice for caring for him in his final days.
